

Apartment Complexes in the Farmington Valley

Additional listings can be found at www.apartments.com, www.rent.com, and www.courant.com.

Check to see if an apartment is listed on rent.com; if it is and you tell the complex that you found their listing there, you can receive a \$100 credit on the apartment if you rent there (see rent.com for details).

Many apartment complexes run specials throughout the year, especially in the summer. Be sure to ask when you call if there are any current specials.
