Holiday Bazaar Dec. 2: New site, new vendors

Please come and visit us in our new space, which will be at the rear of the cafeteria, Friday, Dec. 2, 9 a.m. to 4 p.m.

We will have 20 vendors and the traditional UConn departments' raffle, plus we are adding a vendors basket this year: Each vendor will donate one of the items to the basket. We will hold the drawings at 3:30.

The original paramedics

Did you know that UConn Health is the birthplace of paramedics in the Northeast?

A determined group of public safety personnel, emergency department nurses, and medical school faculty made it happen 41 years ago.

UConn Today is running a three-part feature called "[The 1st Paramedics](#)." There's a good chance you'll recognize a name or a face.

Learn about the origins and evolution of the paramedic service in Connecticut, and the connection to the Auxiliary, at bit.ly/UCmedics.

These four UConn Health firefighters were graduates of the first paramedics training class in Connecticut, which took place at UConn Health in 1975.

GOOD DEEDS: Sending dental students to treat Tanzanian children

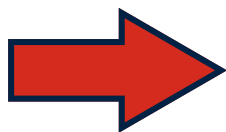

The Auxiliary added \$2,500 to a \$4,000 award from the Farmington Rotary Club to provide a travel funds for Artists for World Peace that will enable three UConn dental students to do mission work in Tanzania next year. Under the supervision of two UConn School of Dental Medicine faculty, Faith Adewusi, Harrison Spatz and Johnny Joseph (right to left in photo) will go to schools and an orphanage to provide dental care, including fluoridization and extractions.
