### HARVEST MOON PARTY

The UCHC Auxiliary is planning a 'western chuck wagon-style cookout' on Friday, Oct. 22, at the Farmington Woods Clubhouse.

It will be a very informal 'jeans casual' fun night with the well-known THE COLBYS as entertainment. John Colby and Beverly Rohlehr, lead singer, will be performing with their band from 7:30 to 10:30 p.m. The cost will be \$70.00 per person (\$35.00 tax deductible) to benefit THE FAMILY PLACE, our unit at the Homewood Suites that provides housing for families of infants who are in our Neonatal Unit.

We hope you will join us for a fun-filled event benefiting a worthy cause.

## Thank You!

The UCHCA Advisory Board would like to thank all who have made this past year such a success. The Gift and Thrift shop managers and assistant managers have both been creative with new projects that have been very successful and enhanced their shops tremendously. Debbie Baril, manager, and Alison Pace,

assistant manager of the Gift Shop and Susan Goslin, manager, and Cheryl Tuggle, assistant manager of the Thrift Shop have been outstanding. THANK YOU ALL.

All that could not have been accomplished without the dedication of our volunteers. To all of you we also say, THANK YOU SO MUCH.

## CASTING FOR RECOVERY

We are excited to be starting a new project called Casting for Recovery. We are planning an event for April 30, 2011, to benefit our breast cancer survivors. It will be a one-day party at Winding Trails in Farmington. We have met with the Casting for Recovery staff in Manchester, Vt., and spent a day with them at their retreat in West Cornwall, Conn.

Marilyn Elling and Irene Engel spent Sunday morning, Aug. 8, with the retreat for 14 women in West Cornwall. We had a wonderful morning with the staff of Casting for Recovery and the women breast cancer survivors. What a dedicated group of people! And the volunteers came from several states, including Connecticut, Vermont and Pennsylvania.
