University of Connecticut School of Dental Medicine  
Office of the Dean

“The Changing Landscape of Dentistry: A Focus on Older Patients”

Jocelyne Feine DDS, MS, HDR, FITI, FCAHS  
Professor  
Oral Health and Society Division  
Faculty of Dentistry and  
Associate Member  
Department of Epidemiology and Biostatistics  
Department of Oncology  
Faculty of Medicine  
McGill University  
Montréal, QC Canada

**Date:** Friday, October 13, 2017

**Time:** 12:00 Noon – 1:00 P.M.

**Location:** Patterson Hall AG042A,  
UConn Health, Farmington, CT

**Host:** Effie Ioannidou, DDS, MS

**WEB CAST:** <http://mediasite.uhc.edu/mediasite41/Play/aa9f56bc03784a12a1e4e043783d2f581d>

*(Note: No CME's given for Web Cast viewing)*

**Light lunch and beverage provided from 11:30 AM-12:00 noon**

**Target Audience:** Faculty, staff, residents, and students interested in clinical research

**Learning Objectives:** Participants will be able to: a) Describe issues important for older people in their ability to access oral health care; b) List physical and pharmacological confounders that impact on care and treatment outcomes; c) Discuss ways to teach repair, instead of replacement of restorations and prostheses to undergraduate dentists.

**Accreditation:** The University of Connecticut School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Connecticut School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Conflict of Interest Policy:** All faculty members participating in CME activities provided by the University of Connecticut School of Medicine are required to disclose to the program audience any actual or apparent conflict of interest related to the content of their presentations. Program planners have an obligation to resolve any actual conflicts of interest and share with the audience any safeguards put in place to prevent commercial bias from influencing the content.

The activity director and planning committee members do not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation.

Dr. Feine has a financial relationship with Straumann AB and 3M ESPE, as she receives research funds as the PI at McGill University.

Dr. Feine will not be discussing the off-label use of any product.

This CME activity has no commercial support associated with it. Food and refreshments provided by the CRC.

**Evaluations:** Participants are required to complete an electronic evaluation in order to obtain CME Credits. An email from MyEvaluation.com with instructions will be sent to participants. Please complete the evaluation within one week of receiving the email. If you do not receive an evaluation assignment from MyEvaluations.com within 10 business days of this activity, please contact the Department that hosted this activity (indicated above) to ensure that your MyEvaluations.com account is set up and your participation in this activity was forwarded to the CME office.
