

Mentor Form - CT-JSHS

Mentor Name:

Workplace related to project:

Student's name:

Title of Project (if known or topic):

The student conducted research at my work site:

to use the equipment.

to perform the experiment(s)/conduct research

Other – explain

How did the student get the idea for the project? (was the project assigned, picked from a list, an original idea of the student, etc.)

Did the student work on this project as a part of a research group?

Yes

No

If yes, how large was the group and what kind of research group was it (students, group of adult researchers, etc.)?

What specific procedures or equipment did the student actually use for the project under your supervision? Please list and describe, please do not list procedures the student observed.

How independent or creative was the student's work?

Would you be interested in attending the CT-JSHS? Kindly provide your email address and we will send you an invitation. \_\_\_\_\_
