

CT AHEC/UConn Health's
Primary Care Virtual Summit
Friday, December 4, 2020, 2:00 - 5:45 p.m.

Theme: ***“Primary Care Crossroads: Lessons Learned & Mapping the Future”***

Event description: CT AHEC/UConn Health is hosting Primary Care Summit (virtual) on Dec. 4, 2020 from 2:00 to 5:45 p.m. themed *“Primary Care at the Crossroads: Lessons learned and Roadmap for the Future.”* This immersive virtual event will include of a keynote panel discussion, breakout sessions, networking events and a CME session for eligible health professionals. The event will be free of charge and open to the public. Invited attendees include professionals and students in healthcare, public health, health policy and advocacy along with community members.

Event sessions include:

Welcome & Intro (2:00-2:30 p.m.) Bruce Liang, MD, FACC, Dean, UConn School of Medicine
and event host Julian Nieves, MD, MPH

Keynote (2:30-3:30 p.m.)

Primary Care Crossroads: Lessons Learned & Mapping the Future

A panel of speakers will share insights and experiences regarding the response of the primary care healthcare delivery and public health systems at the onset of the COVID-19 pandemic, what worked and what didn't, and how the systems evolved to address the unprecedented challenges of the pandemic. They will discuss the implications of health system changes on health outcomes and preparedness for future disasters, as well as potential impact on health equity and social justice.

Speakers: Vivian Leung, MD, Roberto Vargas, MD, MPH, Doug Olson, MD & David Henderson, MD

Moderated by: Robert Zavoski, MD, MPH

Evaluation: <https://www.surveymonkey.com/r/PCS20K>

Breakout Sessions (3:45-4:30 p.m.)

A: Population Health, Epidemiology & Value-based Care in the Post-Pandemic Era

Take a closer look at how the primary care healthcare delivery system responded to the COVID-19 pandemic. The panel of speakers will examine how to better integrate the coordination of primary care and public health functions in the future.

Speakers: Tiffany Donelson, MPH, Margaret Flinter, PhD, APRN, and Vivian Leung, MD

Evaluation: <https://www.surveymonkey.com/r/PCS20BSA>

B: Primary Care Digitization and Impact on Health Equity

The panel of speakers will examine utilized technologies in primary care and ways these and other monitoring solutions have the potential to improve health care outcomes for underserved/vulnerable populations.

Speakers: Frances G. Padilla, MPA, Roberto Vargas, MD, MPH, Julian Nieves, III, MD, MPH

Evaluation: <https://www.surveymonkey.com/r/PCS20BSB>
