

September 2026

Urban Service Track (UST) Learning Retreat

This year's retreat focused on "Bridging Health and Community: Inter-professional Collaboration for Shared Impact Across Every Zip Code." Along with our UST Nursing Scholars, we welcomed UST Scholars from UConn School of Medicine, UConn School of Social Work, UConn School of Dental Medicine, UConn School of Pharmacy, Quinnipiac's Physician Assistant Program, and University of Saint Joseph's Physician Assistant Program.

The image above features our newest nursing student UST Scholars from class of 2028

Dr. Vanessa Bolling, the new UST Nursing Coordinator, delivered the welcome address to the scholars
