FAMIS Self-Service (Facilities Management & Operations) can be accessed via the website URL:

And via Citrix on most UCONN Health PC’s.

Please note FAMIS Lockshop is a separate URL & icon.
III. What is my FAMIS Self-Service username and password?

**FAMIS Cloud Single Sign-On**

Requesters no longer need a separate username and password for FAMIS Cloud Single Sign-On. Log in using your UConn Health domain (network) username and password.

For FAMIS Lockshop requests, UCH will be migrating to the Cloud in the near future. In the interim, the Self Service remains the same, requiring the username and password as indicated below.

**FAMIS Lockshop:**

Your FAMIS Self-Service username is:

Your first and last name initials in upper case; followed by your state employee ID (omit any leading zeroes).

Example: if your name was John Smith and your state employee ID were 123456, your FAMIS Self-Service username would be: JS123456

Your FAMIS Self-Service password is:

Your first name initial followed by the first five characters of your last name.

Example: if your name was John Smith your FAMIS Self-Service password would be: JSmith
