<b>Informational</b>		
<b>GME Annual Institutional Review</b> (S. Angus)	Dr. Angus presented the Annual Institutional Review for Graduate Medical Education. GME has had a 5-year increase of 22% in the number of sponsored programs, and a 2.6% increase in the number of trainees. Residents, fellows, and faculty complete an annual survey sponsored by the ACGME and results this year show UConn at or above the mean in all content areas on both the trainee and faculty surveys. Improvement plans for the next academic year include strategic planning related to institutional aims, and enhancement of well-being through shared resources and community building.	
<b>Standing Monthly Reports</b>		
<b>CUME</b>	Dr. Regan presented the profile of the SOM class of 2027, and a new proposal was presented for make-ups during CLIC.
