% Inpatient	45%	45%	45%	45%	45%	45%	45%	45%	45%	45%	45%	45%	45%
% Research	5%	5%	5%	5%	5%	5%	5%	5%	5%	5%	5%	5%	5%

Key:

Site 1: Connecticut Children's Medical Center

Notes:

- All rotations will take place at Connecticut Children's Medical Center with operative locations at Connecticut Children's main campus or Connecticut Children's Ambulatory Surgery Center
- Outpatient time represents anticipated outpatient ambulatory office visits in which Fellow will participate.
- The fellow will have four weeks of vacation that they can take at any point during the year.
- The fellow will not be given a research month, instead will be given educational academic time to work on their scholarly activities
