### PGY-VI Fellows

Block	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>
Site	HH	HH	UCH	HH	HH	UCH
Rotation	Outpatient GI & Liver	Inpatient GI	Outpatient GI	Outpatient GI & Liver	Inpatient GI	Outpatient GI
% Inpatient	0	90	0	0	90	0
% Outpatient	90	0	90	90	0	90

#### Notes:

- Rotation blocks are two months in length
- Fellows attend their outpatient continuity clinics for a ½ day each week totaling 10% of their time
- PGY-V and PGY-VI fellows may customize their Outpatient and Research blocks to participate in electives in focused areas of GI, such as esophagology or advanced procedures
