

### INSTITUTIONAL CURRICULUM REQUIREMENTS (IC)

The Institutional Curriculum (IC) was designed to provide a curriculum through Healthstream that is universal to all programs. These required courses are to be completed prior to orientation. The GME Office will sign you up with an account for Healthstream. For questions, please contact Steve Bayley ([Bayley@uchc.edu](mailto:Bayley@uchc.edu)).

- Orientation Day 1 (if you miss orientation, you will be assigned a course on Healthstream)

**Incoming Courses** – Courses that must be completed before residents/fellows can begin. These courses are automatically assigned in Healthstream. *Approximately 12 hours to complete all courses.*
