

## **LIFE INSURANCE**

Group term life insurance is provided at no cost to all full-time residents/fellows employed by the Capital Area Health Consortium (CAHC). The effective date is the first day of employment. The basic benefit is one time the annual salary, up to \$50,000. For accidental death and dismemberment, the benefit is three times the annual salary, up to \$150,000. Each resident/fellow must fill out and sign a beneficiary form included in each onboarding packet. If a resident/fellow elects not to take the insurance or not select a beneficiary, a waiver form must be completed.

A resident/fellow must notify CAHC when changes in beneficiary are necessary. A change of beneficiary form is available on the website <https://health.uconn.edu/graduate-medical-education/cahc/benefits-and-payroll/>.

A copy of the group insurance certificate is available on the CAHC website.
