

PERSONS WITH DISABILITIES POLICY/ACCOMMODATIONS FOR DISABILITIES

Programs are committed to achieving equal educational and employment opportunity and full participation for persons with disabilities (see [UConn Health's Persons with Disabilities Policy](#)).

State and Federal laws prohibit discrimination against individuals with disabilities. Discrimination includes failing to provide reasonable accommodation, consistent with state and federal law, to persons with disabilities.

If a resident/fellow thinks that they might need a reasonable accommodation, the resident/fellow should contact Attorney Daniel Moreland in Human Resources at UConn Health. The Human Resources website has more detailed information, including links to information regarding the reasonable accommodation process and accommodation request forms.
