

INSTITUTIONAL CURRICULUM REQUIREMENTS (IC)

The Institutional Curriculum (IC) is comprised of a series of live events and online courses that address educational and clinical work environment requirements.

Online courses are offered through HealthStream. HealthStream accounts are created and managed by Jim Ransom (jransom@uchc.edu) who may be contacted for any questions regarding access. [Log into HealthStream](#)

Live Events

Incoming residents/fellows are required to attend GME Orientation in person. A recording of the session will be assigned in HealthStream for residents/fellows who are unable to attend in person.
