

DATA SHARING

The UConn School of Medicine as the Sponsoring Institution and its sponsored programs may share resident specific data which may include but not be limited to, milestone data, leave status, last four digits of social security numbers and similar data as required by accrediting agencies and certifying boards. The minimum amount of information required by accrediting agencies and certifying boards will be shared to fulfill the obligations of the Sponsoring Institution or sponsored program. Residents and fellows are advised to contact their program director regarding any questions or concerns. The Sponsoring Institution and sponsored programs will not provide the ACGME any information that has been restricted by the resident.
