Aetna Health Professions Partnership Initiative

Medical/Dental Preparatory Program

Dear Medical/Dental Preparatory Program Participants,

It is a pleasure to welcome you to the Aetna Health Professions Partnership Initiative (Aetna HPPI) sponsored by the Department of Health Career Opportunity Programs at UConn Health. The Aetna HPPI is a formal consortium offering a comprehensive program of educational enrichment and support activities for students of diverse backgrounds. This initiative, comprised of a pipeline of academic and research programs, continues to be instrumental in increasing the numbers of students from diverse backgrounds applying to and matriculating to medical or dental school, or graduate programs in the biomedical sciences. We appreciate the continued support of faculty and staff at UConn Health and at Central Connecticut State University who help to make these programs successful each year.

This handbook is designed to better acquaint you with the curriculum of the Medical/Dental Preparatory Program and the rules, expectations, and policies of the program, the Department of Health Career Opportunity Programs, and Central Connecticut State University. It is important that you review the materials included in this handbook in order to gain the full benefits of participating in this program. The faculty and staff of the Department of Health Career Opportunity Programs are available to assist you throughout your time in the program. It is our goal to provide a continuous mentoring and support system for students not only throughout the duration of the program but also throughout their academic and professional endeavors.

We hope that you will find the Medical/Dental Preparatory Program insightful and enriching as you continue on your path towards becoming a health professional. Through your participation in this summer enrichment program, you will be better prepared and equipped for future health careers.

We hope that you will find your summer with us a worthwhile experience. For more information about the Department of Health Career Opportunity Programs and the Aetna HPPI pipeline programs, please visit our website at health.uconn.edu/hcop/.

Sincerely,

Marja M. Hurley, M.D.

Aetna Health Professions Partnership Initiative

Medical/Dental Preparatory Program

General Description

The Medical/Dental Preparatory Program is designed for college sophomores, juniors, seniors or recent graduates.

This six-week summer program consists of two tracks:

- **Track 1:** The Medical/Dental Preparatory Program Track 1 is a MCAT/DAT Preparation Program created for students who will be taking the Medical College Admission Test (MCAT) or Dental Admission Test (DAT). The program focuses on MCAT or DAT test preparation and introduction to problem based learning through case studies. Students will be provided with all materials for MCAT or DAT preparation. Tutors and Residential Assistant Tutors will also be available to students for both the MCAT and DAT preparation. Tutors will be available throughout the day for any assistance in preparing for the MCAT or DAT as well as for programmatic instructions. Additionally, Residential Assistant Tutors will be available to give assistance in preparing for the MCAT or DAT during the evenings and on weekends.
- **Track 2:** The Medical/Dental Preparatory Program Track 2 is the Basic Medical Science Program (BMS) designated for all other students not on Track 1. This track consists of a BMS course emphasizing essential principles of cell and molecular biology correlated to team-based learning exercises and case studies. Clinical experiences and professional development exercises are also presented. Students will be provided with all materials for the BMS course. Tutors and Residential Assistant Tutors will also be available to students for the BMS course. A tutor will be available throughout the day for any assistance for the course as well as for programmatic instructions. Additionally, a Residential Assistant Tutor will be available to give assistance in preparing for the course during the evenings and on weekends.

This program has two purposes:

- (1) to facilitate the entry of these students into medical and dental schools by improving their performance on admissions tests and through professional development activities
- (2) to increase the retention of successful matriculants to professional schools through early exposure to professional education

Housing Information

Housing for the Medical/Dental Preparatory Program will be provided at Central Connecticut State University (CCSU), New Britain, CT from Sunday, June 18th through Sunday, July 30th. Information on specific dormitory room assignments and locations will be provided prior to the start of the program.

Dormitory Check-In: Sunday, June 18th from 11:00 a.m. to 4:00 p.m.

Sunday, June 18th-Meeting with Department of Health Career Opportunity Programs

On Sunday June 18th, all participants of the Medical/Dental Preparatory Program will meet with the Department of Health Career Opportunity Programs staff at 5:00 p.m. (in the main floor lobby of the dormitory). Dinner will be provided at this meeting.

Dormitory Check-Out: Friday, July 28th from 3:00 p.m. to 7:00 p.m. or Saturday/Sunday July 29th or 30th from 9:00 a.m. to 11:00 a.m.
