July 27, 2018
Keller Auditorium
12:00 p.m.

Medical Alumni Speaker

Kirk Campbell, M.D. graduated from the University of Connecticut School Medicine in May of 2000 and completed a residency in Internal Medicine at Yale-New Haven Hospital. He then did a clinical and research fellowship in Nephrology at The Mount Sinai Hospital.

Dr. Campbell is an Associate Professor in the Division of Nephrology, Vice Chair of Diversity and Inclusion, Director of the Nephrology Fellowship Program, and Ombudsperson for medical students at the Icahn School of Medicine at Mount Sinai. He is Board Certified in Nephrology.

In addition to treating patients with renal disease, Dr. Campbell leads an NIH-funded research program focused on understanding the mechanism of podocyte injury in the progression of proteinuric kidney diseases. He is a Nephcure Foundation Young Investigator Awardee and a recipient of the Carl Gottschalk Research Scholar Grant from the American Society of Nephrology. Dr. Campbell is a member of the Medical Advisory Board of the National Kidney Foundation serving Greater New York.
