Aetna Health Professions Partnership Initiative

Medical/Dental Preparatory Program

Dear Medical/Dental Preparatory Program Participants,

It is a pleasure to welcome you to the Aetna Health Professions Partnership Initiative (Aetna HPPI) sponsored by the Department of Health Career Opportunity Programs at UConn Health. The Aetna HPPI is a formal consortium offering a comprehensive program of educational enrichment and support activities for students of diverse backgrounds. This initiative, comprised of a pipeline of academic and research programs, continues to be instrumental in increasing the numbers of students from diverse backgrounds applying to and matriculating to medical or dental school, or graduate programs in the biomedical sciences. We appreciate the continued support of faculty and staff who help to make these programs successful each year.

This handbook is designed to better acquaint you with the on-line curriculum of the Medical/Dental Preparatory Program and the rules, expectations, and policies of the program and the Department of Health Career Opportunity Programs. It is important that you review the materials included in this handbook in order to gain the full benefits of participating in this program. The faculty and staff of the Department of Health Career Opportunity Programs are available to assist you throughout your time in the program. It is our goal to provide a continuous mentoring and support system for students not only throughout the duration of the program but also throughout their academic and professional endeavors.

We hope that you will find the Medical/Dental Preparatory Program insightful and enriching as you continue on your path towards becoming a health professional. Through your participation in this summer enrichment program, you will be better prepared and equipped for future health careers.

We hope that you will find your summer with us a worthwhile experience. For more information about the Department of Health Career Opportunity Programs and the Aetna HPPI pipeline programs, please visit our website at health.uconn.edu/hcop/.

Sincerely,

Marja M. Hurley, M.D.

Aetna Health Professions Partnership Initiative

Medical/Dental Preparatory Program

General Description

The Medical/Dental Preparatory Program is designed for college sophomores, juniors, seniors or recent graduates.

This six-week summer program consists of two tracks:

- **Track 1:** The Medical/Dental Preparatory Program Track 1 is a MCAT/DAT Preparation Program created for students who will be taking the Medical College Admission Test (MCAT) or Dental Admission Test (DAT). The program focuses on MCAT or DAT test preparation and information on the medical or dental school admissions process and professional development. Students will be provided with all materials for MCAT or DAT preparation. Tutors will also be available to students for both the MCAT and DAT preparation. They will be available throughout the day for any assistance in preparing for the MCAT or DAT as well as for programmatic instructions. The 2020 program for both the MCAT and DAT preparation will be delivered virtually through an online platform.
- **Track 2:** The Medical/Dental Preparatory Program Track 2 is the Basic Medical Science Program (BMS) designated for all other students not on Track 1. This track consists of a BMS course emphasizing essential principles of cell and molecular biology correlated to team-based learning exercises and case studies. Clinical experiences through a seminar series and professional development exercises are also presented. Students will be provided with all materials for the BMS course. Tutors and will also be available to students for the BMS course. They will be available throughout the day for any assistance for the course as well as for programmatic instructions. The 2020 BMS program will be delivered virtually through an online platform.

This program has two purposes:

- (1) to facilitate the entry of these students into medical and dental schools by improving their performance on admissions tests and through professional development activities
- (2) to increase the retention of successful matriculants to professional schools through early exposure to professional education

Program Expectations & Professionalism

All participants are expected to dress in an appropriate and professional manner. Business casual and casual clothing is appropriate for classroom settings. All participants are also expected to participate in all program activities and conduct themselves in a professional manner at all times. This includes logging in to all virtual sessions on time. Any technical issues regarding any sessions should be reported immediately to the respective tutors and jan figueroa (jfigueroa@uchc.edu). Please note that vacation and other activities cannot be scheduled during the course of the program as it is expected that you will devote your time to the program. Successful completion of the Medical/Dental Preparatory program is based upon the fulfillment of all program requirements. Failure to complete the program will result in the forfeit of stipend. All participants are expected to act responsibly and in the best interest of faculty, students, and staff.

Information about professionalism in medicine can be found on the School of Medicine website, <https://medicaleducation.uconn.edu/curriculum/m-d-curriculum/legacy-curriculum/> under Professionalism Competency.

Program Schedules

Monday, June 22nd: Orientation

- On June 22nd participants will receive an orientation for the program by the Department of Health Career Opportunity Programs.

Monday Seminars: All participants are expected to participate in the Monday seminars scheduled from 2:00 p.m. to 3:00 p.m. from June 22nd to July 13th.

MCAT, DAT, and BMS Seminars: All participants are expected to participate in their track-specific program (MCAT, DAT, or BMS) seminar during the program. Please see your program specific schedule for the day and time of the seminar.

Friday, July 31st: Program Closing Ceremony

The Virtual Closing Ceremony for the Medical/Dental Preparatory Program sponsored by the Department of Health Career Opportunity Programs is scheduled to begin at 12:00 p.m. and end at 2:00 p.m.

***Note:** The following schedules are specific to each track of the Medical/Dental Preparatory Program.

- If you are participating in the DAT preparation, please see the schedule for the Medical/Dental Preparatory Program-Track1 Dental (pages 6-9).
- If you are participating in the MCAT preparation, please see the schedule for the Medical/Dental Preparatory Program-Track1 Medical (pages 10-13).
- If you are participating in the BMS course, please see the schedule for the Medical/Dental Preparatory Program-Track 2 Basic Medical Science (pages 14-17).

The Basic Medical Science (BMS) Course includes team-based learning modules, histology and anatomy laboratory modules, discussions, self-study, and tutoring sessions. **The detailed schedule of these activities will be provided on the course website.**

Facts about UConn Health

- UConn Health is located in Farmington, CT, outside of the capital city of Hartford.
- The John Dempsey Hospital opened its doors in 1975.
- As an academic health center, it is the site of the John Dempsey Hospital, UConn School of Medicine, UConn School of Dental Medicine, and the UConn Graduate School.
- UConn Health continues to strive in academics, research, and clinical care
- The expansion of UConn Health is part of the “Bioscience Connecticut” initiative introduced by Former Connecticut Governor Daniel P. Malloy, which also includes the Jackson Laboratory for Genomic Medicine.
- There are approximately 5,000 employees at UConn Health
- UConn has over 3,500 medical school alums and over 1,500 dental school alums since 2016.
- The Department of Health Career Opportunity Programs has been an integral part of the Schools of Medicine and Dental Medicine since 1986.
- For more information about UConn Health please see: health.uconn.edu
