Sponsored by the UConn Health Department of Health Career
Opportunity Programs (HCOP)

Claudia L. Grogean, M.D. is an alumna of the University of Connecticut, School of Medicine Class of 2003. She completed her residency at UConn Health, Farmington, CT in Obstetrics and Gynecology.

After completing her residency at UConn Health, Dr. Grogean joined the Specialists in Women's Care practice with locations at the towns of Waterbury and Southbury in Connecticut. Dr. Grogean has served at Specialists in Women's Care for the past 14 years, and loves working with the diverse patient populations. Additionally, Dr. Grogean's practice is very diverse in that she covers labor and delivery, see office patients, and operate in the OR every week. Outside of work Dr. Grogean loves spending time with her husband, Dr. Timothy M. Grogean a Pediatrician, and her three children.

Victoria Massey, D.M.D. is an alumnus of the University of Connecticut, School of Dental Medicine Class of 2013.

Dr. Massey is a practicing General Dentist at Fairhaven Community Health Center in New Haven, Connecticut. Dr. Massey is a product of UConn graduating from the University of Connecticut in the dual degree B.S./D.M.D. Program and the University of Connecticut School of Dental Medicine. During her undergraduate years, Dr. Massey participated in the Pre College Enrichment Program, Clinical College Enrichment Program, Medical/Dental Preparatory Program DAT prep component, and the Medical/Dental Preparatory Program BMS component sponsored by UConn Health's, Department of Health Career Opportunity Programs. She did an AEGD Residency at New York University Langone at Holyoke Community Health Center. Dr. Massey's passions include: patient advocacy, vulnerable populations, and social determinants of health. She is core dental faculty for UConn Health's Urban Service Track where she shares those passions with both students and the community.

Prince N. Morgan, D.M.D. is an alumnus of the University of Connecticut, School of Dental Medicine Class of 2008.

Dr. Prince Morgan was born and raised in Manchester, Jamaica. He pursued higher education in the United States completing his undergraduate studies at Benedict College being awarded a Bachelor of Science in Biology, Summa cum Laude, and his Doctoral Degree in Dental Medicine from the University of Connecticut School of Medicine. Dr. Morgan participated in the Medical/Dental Preparatory Program BMS component sponsored by UConn Health's Department of Health Career Opportunity Programs prior to entering dental school. He pursued a General Practice Residency at Bronx Lebanon Hospital where he also served as a Chief Resident. Dr. Morgan has served in several positions of leadership including Dental Director of the Charter Oak Health Center and is currently an Attending Dentist with the BronxCare Healthcare Systems. His passion lies in cosmetic dentistry and dental education. Dr. Morgan aims to improve oral health care within the lower socioeconomic communities.
