2022 ANNUAL COMPLIANCE TRAINING

As UConn Health employees, each member of the UConn Health workforce is required to complete compliance training annually. The Office of Healthcare Compliance & Privacy along with the Office of IT Security will launch our annual trainings on **Wednesday, October 26, 2022.**

THE TIME FRAME

Workforce members must successfully complete the assigned trainings within 90 days from the launch date, making the due date **Tuesday, January 24, 2023.** Accommodations for Leaves of Absence will be evaluated on a case-by-case basis.

THE MODULES

Two (2) training modules will be required

· **2022 Office of Healthcare Compliance & Privacy Training**
· **2022 Security Awareness Training**

THE PLATFORM

The modules will be accessible in the **Saba Learning Center.** Employees will receive two (2) emails directly from Saba announcing each assignment. Employees can access Saba at https://uconn-health.sabacloud.com/
