**MEDICINE DOES NOT
CHANGE UNTIL WE
CHANGE IT.**

UConn Health is a vibrant, integrated academic medical center that is entering an era of unprecedented growth in all three areas of its mission: academics, research, and clinical care. A commitment to human health and well-being has been of utmost importance to UConn Health since the founding of the University of Connecticut Schools of Medicine and Dental Medicine in 1961. Based on a strong foundation of groundbreaking research, first-rate education, and quality clinical care, we have expanded our medical missions over the decades. In just over 50 years, UConn Health has evolved to encompass more research endeavors, to provide more ways to access our superior care, and to innovate both practical medicine and our methods of educating the practitioners of tomorrow.

Keeping Safe

Wearing of employee identification badges while in UConn Health facilities is an important part of optimizing safety of all employees, faculty, students, volunteers, and contractors. UConn Health requires that you must wear your identification card at all times while on campus.

The Police Department can help you with any badge issues on Monday, Wednesday, or Friday, from 8 to 10:30 a.m. or 1:30 to 3:30 p.m.

Resources: Policy 2002-03, Rules of Conduct, number 28.

Parking

The Parking and Transportation Department is committed to providing safe, convenient, and environmentally friendly parking and transportation solutions for the UConn Health community.

Visit park.uchc.edu for all your parking resources.

Environmental Health & Safety

UConn Health's Environmental and Research Safety department is dedicated to the health, safety and welfare of our research, medical, dental and support communities in the fields of environmental safety, biological safety, chemical safety, radiation safety and ergonomics. The

Environmental and Research Safety department is available for assistance with questions at 860.679.2723.

Emergency Alerts

Emergency Closings

860.679.2001

860.486.9292

health.uconn.edu/closing-and-cancellations

The nature of UConn Health's activities requires that emergency closing decisions be made **ONLY** by UConn Health. General closing announcements from any other State office, including the Governor's office, do not constitute authorization for any UConn Health unit to close or any UConn Health employees to be absent from work. Unless officially notified in accordance with this policy, all UConn Health units must maintain normal operations. Call the UConn Health Hotline to find out the status of work that day. Correctional Managed Health Care staff are to follow policy 2001-01.

Everbridge

Everbridge Aware is the on-demand mass notification service in use at UConn Health. Everbridge supplements our existing ways of notifying the entire UConn Health community of storm closings, construction-related disruptions, and other important news. All employees, students, residents, and others on campus automatically receive notifications via their available UConn Health e-mail address, work phone number, mobile number and home number.
