

# Neurodiagnostic Testing

## WHERE TO GO ON TESTING DAY

You have been scheduled for an EMG, EEG, high density EEG, ANS, or a Neuropsychology test. Your test will be administered on the Neurodiagnostic Floor (third floor) in the Main Building on UConn Health's Upper Campus.

## DRIVING DIRECTIONS ON CAMPUS

Entering from Farmington Avenue, proceed on UConn Health Boulevard to the roundabout, and take the second exit to stay on UConn Health Boulevard. At the first stop sign, bear left, and continue up the hill to our Upper Campus. At the third stop sign, go straight to the Main Building. Patient drop-off and valet parking are available at the entrance. Visitor parking is available in Garage 3 or Lots M1, M2, and H1.

## WALKING DIRECTIONS ONCE INSIDE

### From the Main Building

Enter the Main Building Lobby, continue straight past the information desk. Turn right at the windows near the Blood Draw station and follow the signs for Connecticut Tower. Take the Connecticut Tower Elevators to the third floor. Follow the signs for Neurodiagnostic Testing.

### From the Hospital

It's recommended that you enter through the Main Building, but there may be times you will be coming from the hospital. From the hospital lobby, take the University Tower elevators to the main level (M). After exiting the elevator, follow the signs for the Connecticut Tower. Turn right at the end of the curved hallway and take the Connecticut Tower elevators to the third floor. Follow the signs for Neurodiagnostic Testing.
