

## TRIP TO PRAGUE - 2019

### GENERAL INFORMATION:

The Czech local currency is the Czech crown (CZK). The exchange rate is approx. \$1 = 22 CZK. Change money at bank ATMs. ATMs and money exchangers are also at the baggage claim area at the airport and airport arrival lobby. Smaller shops accept only Czech crowns; superstores and some other shops also accept credit cards and Euros. No one accepts dollars.

### Travel directions from Prague airport to dormitory at Masarykova kolej

1. **Public transport by bus** – cheapest (32 CZK):

**We recommend that you buy a ticket for 3 days (72 hours) in the airport for 310,00 CZK (11€)** at the Prague public transportation booth in the arrival hall. Single tickets are 32 Czech crowns from automatic vending machines located at the bus stop just outside of the arrival hall, in some tobacco shops and newsstands in the airport, or for 40 Czech crowns (exact change only) directly from the bus driver.

**Tickets should be punched upon first entry into the bus**, the ticket is valid for 90 min (32 CZK) or 72 hours (310,- CZK) in all types of public transport. Always keep a valid punched ticket with you, ticket inspectors are very often on patrol for study abroad students and the fine for an expired ticket is 700 CZK (\$32).
