Speech Language Pathologists: This program is offered for a maximum of 0.6 ASHA CEUs (intermediate, professional). No partial credit will be provided.

Evaluations: All participants are required to complete an online evaluation to obtain credits.

Dr. Pappagallo as the activity director, does not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. Dr. Pappagallo in her role as activity director will not be discussing the off-labeled use of any product. Dr. Pappagallo does not have a non-financial interest to disclose.

Dr. Adam Matson as his role of a moderator, does not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. Dr. Adam Matson will not be discussing the off-labeled use of any product. Dr. Matson does not have a non-financial interest to disclose.

Dr. Jae Kim as his role as a speaker, does have a current financial interest/arrangement or affiliation with Medela, Cardinal Health, Astarte Medical, Nicolette, and Biomilq that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation.

Dr. Jae Kim will not be discussing the off labeled use of any product. The activity director will peer review content of presentation to ensure that no commercial bias exists. Dr. Kim does not have a non-financial interest to disclose.

Dr. Sudarshan Jadcherla as his role as a speaker, does not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. Dr. Jadcherla will not be discussing the off-labeled use of any product. Dr. Jadcherla does not have a non-financial interest to disclose.

Dr. Louisa Ferrara Gonzalez as her role as a speaker, does have a current financial interest/arrangement or affiliation with Mead Johnson and Innara/Cardinal Health that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. Dr. Ferrara Gonzalez will not be discussing the off-labeled use of any product. The activity director will peer review content of presentation to ensure that no commercial bias exists. Dr. Gonzalez does not have a non-financial interest to disclose.

Dr. Ted Rosenkrantz as his role of a moderator, does not have a financial interest/arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. Dr. Rosenkrantz will not be discussing the off-labeled use of any product. Dr. Rosenkrantz does not have a non-financial interest to disclose.

Dr. Sarah Taylor as her role as a speaker, does have a current financial interest/arrangement or affiliation with Pfizer, Prolacta Bioscience, Ferring Pharmaceuticals, and Baxter Pharmaceuticals that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. Dr. Sarah Taylor will not be discussing the off labeled use of any product. The activity director will peer review content of presentation to ensure that no commercial bias exists. Dr. Taylor does not have a non-financial interest to disclose.

Dr. Sarbattama Sen as her role as a speaker, does have a current financial interest/arrangement or affiliation with Dexcom that could be perceived as a real or apparent conflict of interest in the context of the subject of this presentation. Dr. Sarbattama Sen will not be discussing the off-labeled use of any product. The activity director will peer review content of presentation to ensure that no commercial bias exists. Dr. Sen does not have a non-financial interest to disclose.

WMN007-FY24

8th Annual Symposium on Neonatal Advances

Presented by the Division of Neonatal-Perinatal Medicine, Department of Pediatrics

September 19, 2024

UConn
HEALTH

Conference Agenda

Time	Event	Speaker
7:15-8 a.m.	Registration and Continental Breakfast	
8 a.m.	Welcome and Opening Remarks	Mariann Pappagallo, MD
Morning Session Moderator: Adam Matson, MD		
8:10-9:10 a.m.	Pondering the Probiotic Problem in Neonates	Jae Kim, MD, Ph.D.
9:10-10:10 a.m.	Jeffrey Bartlett, MD, Memorial Lecture: Management of Infant Feeding Difficulties: Evidence-Based Approaches Yield Best Outcomes	Sudarshan Jadcherla, MD
10:10-10:30 a.m.	Break and Exhibits in Keller Lobby	
10:30-11:30 a.m.	Apneas, Bradycardias, and Desaturations During Oral Feedings in Growing Premies: Nature vs Nurture	Louisa Ferrara Gonzalez, Ph.D.
11:30 a.m.-12:30 p.m.	Lunch and Exhibits	
Afternoon Session Moderator: Ted Rosenkrantz, MD		
12:45-1:45 p.m.	The Enigma of Gastroesophageal Reflux Disease in Infants: Translating Evidence to Practice	Sudarshan Jadcherla, MD
1:45-2:45 p.m.	Clinical Application of Preterm Infant Discharge Nutrition Evidence	Sarah Taylor, MD
2:45-3 p.m.	Break and Exhibits in Keller Lobby	
3-4 p.m.	Neonatal Hypoglycemia at the Crossroads of Maternal and Child Health	Sarbattama Sen, MD
4 p.m.	Closing Remarks and CME/CEU Evaluations	Mariann Pappagallo, MD

Learning Objectives

At the conclusion of this program, the participants should be able to:

- Identify the evidence regarding nutritional needs post-hospital discharge for preterm infants.
- Describe the importance of physiologic stability and behavioral cues for optimized oral feedings.
- Detail the current challenges in adopting the use of probiotics in neonatal medicine.
- Identify factors that modulate the hypoglycemia risk and mechanisms that may underlie adverse outcomes.
- Review approaches to diagnosis and mechanisms of gastroesophageal reflux.
- Examine analytical approaches to ascertain mechanisms of feeding difficulties.

Conference Planning Committee

Mariann Pappagallo, MD
 Naveed Hussain, MD
 Christine Raymond, APRN
 Ally DaCruz, PA
 Emily Milliken, OT
 Moderators: Ted Rosenkrantz, MD, and Adam Matson, MD
 Erica Colangelo RD

Conference Faculty

Jae H. Kim, MD, Ph.D.

Co-Director, Perinatal Institute
 Director, Division of Neonatology, Cincinnati Children's Hospital Medical Center
 Endowed Professor of Pediatrics, University of Cincinnati College of Medicine, Cincinnati, OH

Sudarshan Jadcherla, MD

Professor of Pediatrics
 Associate Division Chief of Neonatology
 Director and Founder of Neonatal and Infant Feeding Disorders Program
 Director and Founder of Neonatal Aerodigestive Pulmonary Research Program
 Nationwide Children's Hospital, Columbus, OH

Louisa Ferrara-Gonzalez, Ph.D., CCC-SLP, BCS-S, CNT, NTMTC

Board-Certified Specialist in Pediatric Feeding and Swallowing Disorders
 Board-Certified Neonatal Therapist
 Neonatal Touch and Massage Certified Therapist
 Trauma-Informed Professional
 Clinical Researcher at NYU Langone Hospital Long Island
 NICU Manager, Clinical Operations/Medical Affairs, Innara Health/Cardinal Health
 Owner, Private Practice

Sarah N. Taylor, MD

Professor of Pediatrics
 Chief, Section of Neonatal-Perinatal Medicine
 Director of Clinical Research, Pediatrics
 Yale School of Medicine
 New Haven, CT

Sarbattama Sen, MD

Associate Professor of Pediatrics
 Vice Chair of Pediatric Clinical Research
 Women and Infants Hospital
 Providence, RI
