Required Rotations	Elective Block Rotations – 3 electives to be completed, one of which must be a “select elective” <sup>§</sup>	
Administration Management	<sup>§</sup> Ambulatory Care II	Any extension / continuation / repeat of a previously completed rotation upon review and acceptance by RAC. For example, a resident could choose to do Infectious Diseases a second month as an elective.
Ambulatory / Primary Care (longitudinal)	<sup>§</sup> Ambulatory Oncology clinic	
Anticoagulation (longitudinal)	Antimicrobial Stewardship	Electives not listed can be presented to RPD / RAC and determined if possible. Non-pharmacist preceptor electives must be reviewed and approved by RPD, and the RAC must approve that the resident is ready for independent practice.
Critical Care / ICU	Cardiology	
Infectious Diseases	Critical Care II	
Internal Medicine I	<sup>§</sup> Emergency Medicine	
Leadership / Personal and Professional Development (longitudinal)	Geriatric Ambulatory Care	**Academic / teaching experiences are built-in longitudinally, at the intensity/level of the desire of each individual resident
Medication Safety	Informatics	
Oncology / Infusion Pharmacy	Medication Safety II	
Orientation	<sup>§</sup> Internal Medicine II	
Staffing	Pain / Palliative Care	
Scholarship in Pharmacy (longitudinal)	Psychiatry	
UConn Teaching and Learning Certificate (longitudinal)	Specialty Pharmacy	

<sup>§</sup> Select Electives – one elective must be selected from the “select elective” group
