

Alaris Guardrails Library Updates

December 2020

Pharmacy will be releasing an updated library for December 2020. Information below details what updates will occur and reminders after the release.

Reminders:

- New library name will be **UConn 12-1-2020** and will appear on display screen when powered up
- The pump must be powered down and up to obtain the latest release
- Don't forget to page down to access additional doses for Vancomycin (e.g. >1250mg)

Updates to Library include the following:

OP Infusion Center Profile

- Added new monoclonal antibodies approved for Emergency Use Authorization by the FDA for COVID-19 outpatients only
 - Bamlanivimab
 - Casirivimab and Imdevimab (combination agent, single infusion)

Additional Information about the Alaris Guardrails can be found on the pharmacy website on the following link: <https://health.uconn.edu/pharmacy/staff-references/nursing-hot-list/iv-med-guide-alaris/>
