

Alaris Guardrails Library Updates

November 2022

Pharmacy has released an updated library for November 3, 2022. Information below details what updates will occur and reminders after the release.

Reminders:

- New library name will be **UConn 11-3-2022** and will appear on display screen when powered up
- The pump must be powered down and up to obtain the latest release
- Don't forget to page down to access additional doses for Vancomycin (e.g. >1250mg)

Updates to Library include the following:

Additions:

- Added Dalbavancin to the Adult Critical Care, Med/Surg, and Oncology Profiles
- Added weight-based entry for cabazitaxel in OP Cancer Center Profile

Updates:

- Updated the initial infusion times for cabazitaxel in OP Cancer Center Profile
- Updated infusion times for tecovirimat in Investigational Profile to reflect spilt syringe dosing

Additional Information about the Alaris Guardrails can be found on the pharmacy website on the following link:
