

“ The Joys of Translational Research ”
Physician-Scientist Career Development Colloquium

Monday, March 10th, 2014 at 5 PM in Patterson Auditorium

Sponsored by the Office of Physician-Scientist Career Development

Barry Coller, M.D.

David Rockefeller Professor of Medicine
Physician-in-Chief, The Rockefeller University Hospital
and Vice President for Medical Affairs
The Rockefeller University

Dr. Coller is a nationally-recognized hematologist, researcher, and champion of the importance of both translational research and the physician-scientist. Dr. Coller's talk will be followed by a discussion and informal reception in the Academic Lobby.

For further information contact Ms. Christa Veno, Center for Molecular Medicine, at 860-679-7640
