

# “ Finding Your Way as a Physician-Scientist ”

## Physician-Scientist Career Development Colloquium

Sponsored by the UCHC  
Office of Physician-Scientist Career Development

## **Kenneth Kaushansky, M.D.**

Senior Vice President, Health Sciences  
and Dean, School of Medicine  
State University of New York, Stony Brook

The School of Medicine's Office of Physician-Scientist Career Development will be hosting a colloquium featuring Dr. Kenneth Kaushansky. Dr. Kaushansky is a nationally-recognized hematologist, researcher, and academic leader who has been a champion for the physician-scientist. Dr. Kaushansky will lead an informal discussion on the challenges facing physician-scientists.
