PURPOSE:
To assign roles and responsibilities for the development, implementation and ongoing coordination of information security at UConn Health, in accordance with applicable regulatory requirements.

APPLIES TO:
All UConn Health faculty, staff, students and others

POLICY STATEMENT:
The Information Security Officer (ISO) is responsible for the implementation of the UConn Health information security program.

Operational leaders, or their designated Data Stewards, in coordination with the ISO are responsible for the confidentiality, integrity, availability and conformity to applicable policies and regulatory requirements for all data, computing equipment, network equipment and software managed by their respective areas or otherwise under their control.

All individuals granted access to UConn Health electronic resources are responsible for preventing unnecessary exposure of confidential data, each individual must adhere to all data security and privacy policies, standards and procedures.

UConn Health information security policies and procedures do not preempt any existing or similar laws or policies.
