

Viewing ABN Status

End users in the Patient Financial Services department can view the ABN status and details of the LCD/ABN that is used for the encounter. This tip sheet provides instruction on how to do this.

Try It Out

1. Locate the encounter in Hospital Account Maintenance.
2. Go to **Account Summary**. The ABN status will show in the header if a status has been set.

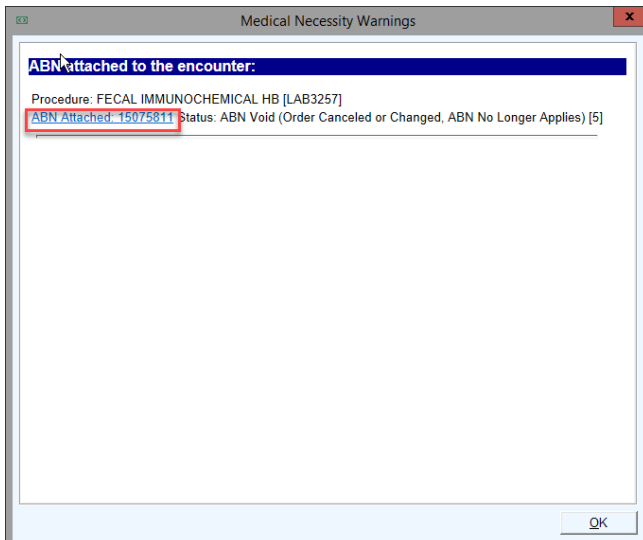

3. To see the details of the ABN that the patient is asked to sign on paper and the LCD, Click **Go To Registration**.

Note: The ABN status also shows on the Registration header.

4. Click the **LCD/ABN** button on the activity tool bar.
5. Click the link to the ABN.

Important: The signed ABN cannot be viewed this way. The signed ABN is scanned into the medical record and can be viewed from the Documents table and/or Media tab.

Viewing ABN Status

6. Review the Advance Notice Form. When finished, click **Close**.
