UCONN JOHN DEMPSEY
HOSPITAL

SECTION: PATIENT CARE

NUMBER: 08-107

SUBJECT: TRANSITIONS OF CARE/HANDOVER
FOR RESIDENTS AND FELLOWS

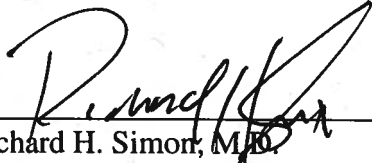

PAGE: 1 of 1

PURPOSE: The purpose of this policy is to acknowledge the Gradual Medical Education policy that governs resident and fellow transitions of patient care and handovers.

POLICY: John Dempsey Hospital (JDH) recognizes and supports the University of Connecticut School of Medicine, Transitions of Care/Handover Policy as it applies to residents and fellowship programs, (See <http://gme.uhc.edu/pdfs/policybook/108.pdf>). JDH must ensure the residents and fellows have structured handover processes to facilitate continuity of care and patient safety.
