

CLINICAL POLICY

Pharmacist/Technician Competency Assessment

A. EFFECTIVE DATE :

June 30, 2021

B. PURPOSE :

To establish an expectation that all pharmacists, pharmacy staff and technicians remain competent with the essential knowledge and skills to perform their given job description.

C. POLICY :

1. All pharmacists, pharmacy staff and pharmacy technicians will maintain the knowledge and skills necessary to perform job related functions according to defined expectations based on regulatory standards, professional pharmacy organizations, and clinical practice guidelines.
2. Competency assessments for pharmacy staff may be verified by direct observation of a job responsibility, mandated competency assessments, educational activities and in-services/discussions. In addition to departmental competencies, hospital wide training and assessments will also be identified by hospital administration and shall be completed as assigned.

D. SCOPE :

Applies to all UConn Health JDH Pharmacists and Pharmacy Technicians

E. DEFINITIONS :

None

F. MATERIAL(S) NEEDED :

Pharmacist Competency Assessment
Technician Competency Assessment

G. PROCEDURE :

UConn Health pharmacists, pharmacy staff, and technicians will develop appropriate procedures, guidelines and/or protocols necessary to provide competency assessments.

1. The Clinical Coordinators, with support from pharmacy staff, will develop competency assessments based upon the needs of staff members, regulatory changes, new policies/practices, and new therapies and upon the direction of Pharmacy Administration.
2. These assessments will be assigned to all applicable pharmacists, technicians, and staff with an expected date of completion.

3. A passing grade will be identified for assessments, as needed. Staff will be required to repeat a review of material if competency in a defined area is not demonstrated.
4. The Clinical Coordinators, Lead Technicians, and/or Pharmacy Quality Coordinators will maintain a record of staff completion of competencies.
