Parent awareness of new program at school.

We'll be right here

Mondays

Tuesdays

at pick up time.

University of Connecticut

We'll be here
weekly

Enter the **FREE**

weekly raffle!

Winner announced
each week

Different topics

every week!

Let's fight germs!

We are students from UConn and will be at Simpson Waverly for 10 weeks to talk about how to fight germs in our kitchen and our home. We will have different topics each week. So, stop by our board when you pick up your child, say hello, and become eligible to win a weekly prize by entering your name in our weekly raffle. You will also be able to receive a free giveaway every week just by stopping by our board. We look forward to seeing you!

What will you learn?

- Germs multiply in your food
- Keeping food cold the right way
- Chilling foods after you cook them
- How to cool leftovers
- Learn the right way to defrost foods
- Avoid cross contamination: chop and shop safely
- Bacteria magnets in the kitchen
- Keeping your kitchen in spic n span condition
- Spin the wheel game
