

Medical & Scientific Associate

Healthcare Consultancy Group (HCG) is a global group of scientifically rigorous healthcare communications agencies, including:

- **Chameleon Communications International** (<http://www.chameleon-int.com/>) New York, NY; Iselin, NJ; Los Angeles, CA
- **Health Science Communications** (<https://www.hsci.com/>) New York, NY; Iselin, NJ
- **ProEd Communications** (<https://www.proedcom.com/>) Beachwood, OH, Princeton, NJ
- **The Scienomics Group** (<https://www.tsgmeded.com/>): Stamford, CT; New York, NY; San Francisco, CA

Our medical and scientific teams, comprised of accomplished PhDs and MDs, translate complex science into impactful and meaningful communications for our clients. We are seeking scientists interested in a career in Medical Communications to join HCG as a Medical & Scientific Associate.

WHAT DOES A MEDICAL & SCIENTIFIC ASSOCIATE DO?

Principal responsibilities include scientific content development based on relevant literature analysis, fact-checking, and participation in internal and external meetings in support of our pharmaceutical, biotech, and medical device clients. In this role, you will perform literature searches and evaluation to support development of various types of innovative deliverables, including their formatting, referencing, and annotation. In each project, you will have the opportunity to monitor and manage budget and timelines, while preserving high quality and accuracy standards. As the key member of the scientific team, you will engage and collaborate with clients and contribute to the overall team success.

QUALIFICATIONS

- MD or PhD in biomedical sciences
- Experience with critical evaluation of scientific/medical publications, and development of slide decks and scientific manuscripts based on available evidence

REQUIRED SKILLS

- PowerPoint, Word, Excel, Microsoft Outlook, and Internet research proficiency
- Exceptional written and oral communication skills

- Strong attention to detail and organizational skills
- Demonstrated ability to perform effectively in a collaborative team structure and thrive in a fast-paced environment.

BENEFITS WE OFFER:

- A competitive compensation package
- Paid annual vacation, holiday and sick time off
- Comprehensive health plans including medical, dental and vision
- Competitive 401(k) investment options
- Employee stock purchase plan
- Life insurance
- Commuter benefits
- Employee referral awards
- Employee Assistance Program
- Tuition reimbursement
- Training and mentoring opportunities through programs such as Omnicom University, led by international influencers and Harvard Business School professors
- Retail and entertainment discounts and benefits available
- A rewarding workplace and a fun team environment

The companies within the Healthcare Consultancy Group are Equal Opportunity Employers. All applicants will be considered without regard to race, color, religion, sex, age, national origin, citizenship status, sexual orientation, disability, veteran status or any category or class of person protected by law.
