

**UNIVERSITY OF CONNECTICUT STEM CELL CORE
INTERNAL TRANSFER AGREEMENT**

Recipient Scientist: _____

Campus: _____

Department: _____

Material to be Transferred ("MATERIAL"):

(Use one form per material)

The Recipient Scientist understands and agrees that the MATERIAL:

- (a) is to be used solely for teaching and academic research purposes;
- (b) will not be used for any commercial purposes, including contract research, screening of compound libraries, production or manufacture of products for general sale, or conduct of research activities that result in any sale, lease, license, or transfer of the MATERIAL;
- (c) will not be used in human subjects, in clinical trials, or for diagnostic purposes involving human subjects;
- (d) is to be used in compliance with all applicable federal or state statutes, regulations and guidelines and any regulations and policies of the University of Connecticut;
- (e) is to be used only at the University of Connecticut and only in the Recipient Scientist's laboratory under the direction of the Recipient Scientist or others working under his/her direct supervision;
- (f) will not be transferred to anyone else within the University of Connecticut without the prior written consent of the University of Connecticut Stem Cell Core; and,
- (g) will not be transferred to anyone outside the University of Connecticut without first contacting the Technology Commercialization Services office (Ana Lena Fidantsef, Ph.D., MBA, at: fidantsef@uchc.edu) to establish a Material Transfer Agreement with the recipient institution prior to transfer.
