

Important phone numbers

Note: Internal numbers (860-679-xxxx) should be dialed only using the last four digits when using an internal phone. Cell phone reception for AT&T is best near the back door of the NMR room.

Medical, Police, & Fire Emergencies (911 equivalent)

Emergency number 860-679-7777

Environmental Control Center

ECC 860-679-2348

ECC is staffed 24/7 and can help with alarms, mechanical failures (electrical, temperature, air handler, compressed air, water, etc.), and card reader problems. Please report any mechanical failures with ECC immediately and then contact the facility manager so he can follow up with facilities to be sure the problem is resolved.
