

**The University of Connecticut  
Graduate School (UConn Health)**  
Exit Information

Congratulations on completing your degree requirements! Please provide the following information below, which we will use for program evaluations and reporting purposes. In this way, we will be able to better track the professional development of our graduates.

Doctoral students should contact Dr. Barbara Kream, the Associate Dean of The Graduate School at UConn Health, to schedule a short exit interview. She can be reached at extension 3849 or at [kream@uchc.edu](mailto:kream@uchc.edu).

**Personal information:** Please enter a forwarding address and permanent email address where you can be reached. *The forwarding address is where all official communications after the effective date including the dissertation preparation reimbursement check and the W-2 and 1099 forms will be mailed to you.*
