What Is myUConnHealth - Hospital?

[myUConnHealth - Hospital](#) is a free, secure, online tool (patient portal) that gives you convenient, 24-hour access to your personal health record and allows you to view and obtain your health information anytime, anywhere.

YOUR PERSONAL HEALTH RECORD

An important benefit of enrolling in [myUConnHealth - Hospital](#) is convenient, online access to your personal health record that allows you to be actively involved in your own health care. You will be able to view, download, and print any of your hospital health information from your mobile device, tablet, desktop or laptop computer. Also, you decide who has access to your personal health record, ensuring your privacy.

BENEFITS OF AN ONLINE PERSONAL HEALTH RECORD

Save Time

All your hospital health care information is at your fingertips; including medications, lab test results, allergies, discharge instructions, and other medical history. You are also notified when new information is added to your personal health record.

Improve the Quality of Your Care

You will be able to provide your personal health record from your hospital admission to all your health care providers.

WHAT CAN I DO WITH MYUCONNHEALTH - HOSPITAL?

By enrolling in [myUConnHealth - Hospital](#), you will be able to:

- View, download, and print your personal health record.
- Access your hospital information such as medication lists, vital signs, allergies, test results, and discharge instructions.
- Provide your hospital record to your health care providers.
- Enter new information such as at home blood pressure or glucose monitoring; update your immunizations such as your annual flu vaccination; or record new prescriptions.
- Look up information about many diseases, conditions, procedures, and medications.

HOW DO I ENROLL IN MYUCONNHEALTH - HOSPITAL?

UConn Health has partnered with RelayHealth to provide you with access to a secure, online tool (patient portal.) If you provided your email address during your hospital admission, you will receive an electronic invitation from [UConn Health - invitations@relayhealth.com](#) to enroll. It will contain a link that will give you instructions about how to access the secure, password-protected site. Once you access the site, you will be able to set your language preference. The patient portal is available in English and Spanish.

If you did not provide your email address and would like to enroll, visit [myuconnhealth.org](#) and choose [myUConnHealth - Hospital](#) to get started.
