

ADDENDUM 2 (Amounts Generally Billed)

Consistent with Section 501(r)(5) of the Internal Revenue Code, amounts generally billed (AGB) is calculated by dividing the total allowed amount into total charges on claims billed to commercial insurance carriers and Medicare over a 12-month period.

This calculation will be performed annually and put into effect within 120 days of the AGB rate being published.

The current AGB for UConn Health is 36%. Patient's eligible for financial assistance will pay no more than 36% of gross charges.
